Lesson objective: design a poster of your (best) friend

Resources needed: sheet of paper/ carton, pencils

Description of lesson: This is the last of eight lessons on friends. We talked about what attributes you can describe (physical appearance, hobbies, favourite food,...) and what makes a friend a friend. At the last lesson they designed a poster on their friend using the attributes they wanted to. Some did bring some pictures, some did drawings,...

Outcome

Next steps/follow-on activity: presenting the poster
